

Gabriella

crafted with precision and vision

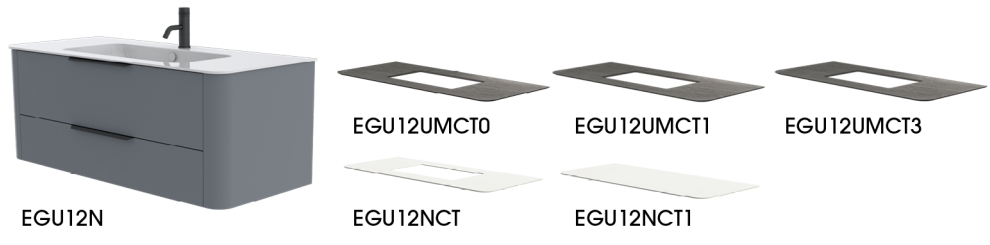

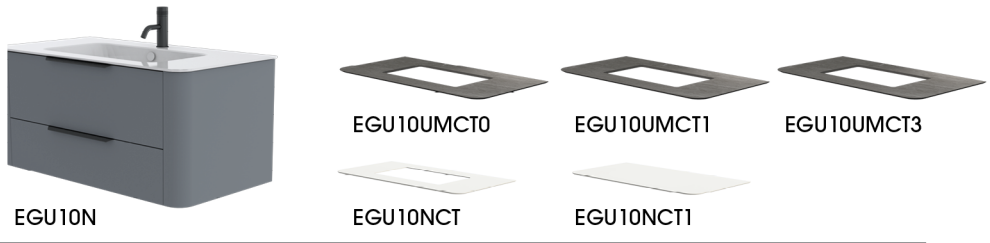

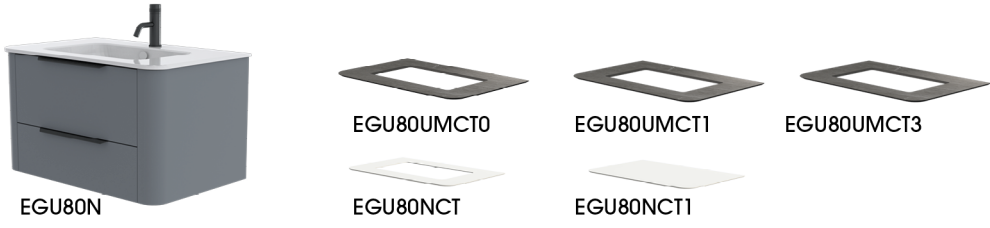

The Gabriella Collection celebrates elegance through its signature soft curves, with gently rounded front edges that bring a sense of fluidity sculptured shape and grace to the bathroom. Designed as a two-drawer unit, it is available in a palette of 20 luxurious standard paint finishes or can be customised to a RAL colour of your choice. A selection of refined handle options pairs seamlessly with exquisite Porcelain or LG Hi Macs counter tops, creating the sophisticated appearance of an undermount basin. Gabriella embodies timeless beauty, offering both practicality and a statement of refined design.
